

SKH Tang Shiu Kin Secondary School

For this year's inter-house quiz, we changed things to make it more like Mind over Matter, the Hong Kong Inter-School Quiz 2015. It was a fun new format.

Two teams from each of the six houses took part in the quiz, which covered everything from cartoons, computer games, science and technology, to current news.

The competition was tough, but Team Laurentius managed to

outperform the others to win the title of best house quiz-takers.

Singh Dasam Deep, Form 5A

The quiz format made it exciting for the players and the audience
